

BIF Mastic™ **Bitumen Impregnated Fibre Board**

Allcraft Trade Solutions are a premier supplier of concrete joint solutions.

Expert in concrete expansion and contraction, Allcraft is the trusted name in concrete jointing products.

Concrete jointing and stability is our business.

BIF Mastic™

BIF Mastic is our Bitumen Impregnated Fibre Board. It is considered the best available worldwide and is our most popular product.

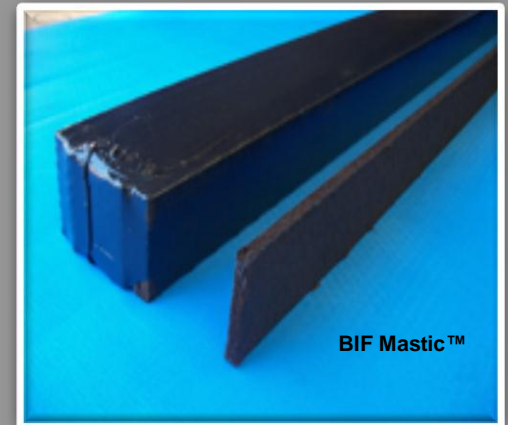

Packaged in easy to handle black plastic packs, BIF Mastic is tough, light weight and does not swell or bleed.

BIF Mastic is simple to install and is available in a variety of pre-cut sizes or is effortlessly cut with a blade or wood saw.

BIF remains the standard of the industry. With over 70 years of proven performance it is the highest quality, most cost effective solution for your concrete expansion joint requirements. BIF elevates the quality of your job.

BIF Mastic; often copied but never equaled.
